ANNOUNCEMENT

President Harding believes the Federal Reserve Board is right in holding that the retailers of the country can do much toward restoring public confidence and wiping out the so-called "buyer's strike" by a revision of prices downward on all merchan-

We are, therefore, TODAY making a complete revision of prices of our Spring Fashions—this is not a reduction in prices nor a sale just for one dayevery article has been repriced and the values being offered our patrons are unusual.
